COURSE OBJECTIVE

The objective of this course is to update DDA careerists' awareness and understanding of current activities, problems and trends in the Administration Directorate and its components.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. Please describe how you see the program benefiting you.

*I am more aware of how the other  
offices operate and what they consist  
of.*

- C. Given your present assignment, what segment of the program did you find least useful?

*The training for tomorrow  
The present & future of Support  
DDA Personnel Management Handbook  
I really don't feel like I learned  
anything of any value from the  
3 mentioned above.* (See Reverse Side)

- D. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

*I wasn't able to make that meeting.*

- E. We welcome your suggestions for improving this course:

*To make the day a little shorter, even if it meant staying 5 days. From 8<sup>30</sup> to 8<sup>20</sup> is too long. By the time evening classes rolled around you're tired from sitting and listening all day, so really enjoy the session at night.*
